

Renovating History

Phase II

*Renovation of the historic 1912 Ogden Hotel
is now under way.*

*For the past two years the Victory Foundation
has been designing programs to bring individuals out of
homelessness, and today we are proud to announce
we have a seventy five percent success rate.*

*Your help is urgently needed in the next phase.
It will directly impact the quality of life for the fifty residents
presently in the program working hard to better their lives.*

*Eight washrooms, two kitchenettes and an interview room
for a total of \$170,000*
